Snow Days are built into our school year based on a surplus of hours. If more than the planned snow days are needed, we will implement Virtual/Distance Learning Days for additional snow days. We take learning loss seriously and determine virtual/distance learning days based on how many consecutive school days have been lost.

School days end one hour early every Wednesday for professional development and planning. We choose Wednesdays so we can give Surrey Hills Baptist Church time to prepare for their evening programs.

Pending date confirmation
